VSOP Cape brandy

VINTAGE

5 years

ORIGIN

Western Cape, Constantia

CLIMATE

Mediterranean – Wonderful cool breezes coming from the Atlantic Ocean. Average rainfall of 1100mm per annum.

SOIL TYPE

Glenrosa and Hutton.

VINIFICATION

The grapes were picked at an early stage when the acid is high and sugar low. Fermented in stainless steel tanks at controlled temperatures leaving the wine with a fresh acidity and fruity nose. The Brandy base was distilled in a traditional pot kettle and only the best part is kept for aging here at Groot Constantia for 5 years in old French oak cask.

PRODUCT DESCRIPTION

This potstill brandy has a beautiful golden amber colour. The nose shows dried pear and apricots, followed by cinnamon, nutmeg and caramel. The dried fruit follows on the palate, while the five years wood maturation adds vanilla and almond flavours to the palate.

SERVING SUGGESTION

Neat or with a few cubes of ice.

WINEMAKER

Boela Gerber

ASSISTANT WINEMAKER

Rudolph Steenkamp
